

Hydra Bluetooth Speaker

	Marketing information		
Product name	Hydra Bluetooth Speaker		
Package Product name	Hydra Bluetooth Speak	·	
Headline	Your Wake-Up Call		
Product keywords	Alarm clock. Good sound. Wireless		
Main characteristics	You can stream music wireless from your phone or tablet via Bluetooth Supports 4 play modes (AUX, Bluetooth, FM radio, microSD) and hands-free call function Clock and alarm Clock function make it convenient to have on your nightstand Built-in rechargeable Li-ion battery, 6 hours music play		
Product description	If you were in search of a radio FM and alarm clock to have on your nightstand, stop looking, you just found it. Hydra Bluetooth speaker is a great combination between an entertainment instrument, being a speaker with radio FM included, and a clock display with alarm function. The clock display has a very diffuse light, so it can be seen during nighttime without disturbing you while you sleep.
