## Hypnos 2.1 Soundbar System Love at first audition

Built-in Bluetooth® lets you stream music easily from your smartphone, tablet, or Bluetooth-capable computer.

It works with the music stored on your phone as well as your favourite streaming music apps (like Spotify®).

## Hypnos 2.1 Soundbar System

Love at first audition

The system automatically reproduces detailed, high-output sound in almost any size room no matter what format of sound is coming from the TV's output.

The dedicated subwoofer will add punch and rumble to TV shows and movies, creating a fuller sound and more effectively projecting audio throughout the room.
