Main characteristics	<p>Wire free - solar charging, waterproof level IP65</p> <p>Motion detection, push notification through Tellur Smart APP</p> <p>Night vision function</p> <p>Two-way audio</p>
Product description	<p>Stay safe and calm due to Tellur Wifi Smart Solar Camera, an outdoor camera that will alert you immediately if a person, car, or even a dog trespass on your property. You can see in real time what is happening around your house.</p> <p>The Smart Solar Camera is entirely weatherproof and specifically designed for outdoor use. It can withstand the elements: rain, snow, moisture, dust and dirt. Wire free, the camera is solar charging and you can mount it everywhere. Videos are recorded in excellent HD quality.</p> <p>The Smart Camera records only when something happens and only what matters, there are no hours of empty footage and through Tellur Smart App you can adjust the sensibility level to receive alers only a person is on your property not when the cat is fooling around.</p> <p>How it works? Your Smart Camera communicates with your internet router via Wi-Fi without the need for an additional intermediary device. You can control your camera remotely from the Tellur Smart App.</p> <p>Be in control of your home at all times!</p>
