

WiFi Inline Switch

TLL331161

WiFi Inline Switch

Everything smart

Universal. Remote control. Fully customizable.

Characteristics:

- ⊗ Universal switch gives smart features to non-smart devices
- ⊗ Supports remote control via Tellur Smart app
- ⊗ Voice control via Google Assistant and Amazon Alexa
- ⊗ Fully customizable with schedule and timer functions, automation and smart scenarios

Smarten up any appliance in your home or office with the WiFi Inline Switch.

It enables you to take control of the device you installed it to: **schedule on/ off times, set timers and create smart scenarios & automations.**

And the best part is that you can do all of that from anywhere because the WiFi Inline Switch can be **remotely controlled** via Tellur Smart app. Thanks to the **Google Assistant and Amazon Alexa integration**, you can also use your voice to control the switch.
